|                    |                           |                 |                 |
|                    |                           |                 |                 |
|                    |                           |                 |                 |
|                    |                           |                 |                 |

## Additional information

This Transfer Notification may be used, in conjunction with the original certification, to demonstrate continuing validity of the original Type Examination certification for the products referenced above, this notification is valid only for the types mentioned above.

The manufacturer must inform SGS Fimko if any technical or electrical changes made to the product covered by the original certificate, as unauthorised modifications would invalidate the certification.
