

Microferm
Limited

Declaration on Non-Use of Animal Ingredients (Vegan Statement)

Product Name: AQUAMIN F

We hereby certify that Aquamin F is manufactured in a separate purpose-built FSSC 22000 accredited facility used exclusively to process calcified marine algae.

Furthermore, we hereby certify that

1. We don't store animal ingredients or food containing animal ingredients in the Aquamin F facility
2. We don't use animal ingredients or food containing animal ingredients for production of Aquamin F
3. We, Microferm Ltd do not conduct or commission animal testing of Aquamin F

We therefore certify that Aquamin F is suitable for vegetarian and vegan diets.
