Witnesseth:

WHEREAS the Licensor has the right to license the use of the certification marks and designs ("the Certification Marks"), attached as Exhibit A, and is willing to license use of the Certification Marks to the Licensee according to the terms of this Agreement, and

WHEREAS the Licensee wishes to license and use the Certification Marks in all countries of the world ("the Territory") according to the terms of this Agreement,

NOW, THEREFORE, in consideration of the above and other valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties agree as follows:

1. License. The Licensor grants to the Licensee the non-exclusive, nontransferable license to use the Certification Marks in the Territory in connection with the goods and products ("Products") described in the Statement of Assurance attached as Exhibit B, save that the "Animal Test-Free and Vegan" Certification Mark may only be used in connection with vegan Products which do not contain any animal ingredients, including, without limitation, skin, fur, flesh, body parts, honey, beeswax, silk, silk byproducts, lanolin, or products derived from any animal matter, including, without limitation, cetyl alcohol, glycerin, lecithin, mono- and diglycerides, and stearic acid.

2. Use of Certification Mark. The Licensee may use the Certification Marks with the Products in accordance with the following terms and conditions:

- (a) The Licensee may apply the Certification Marks to the Products' packaging, display, and advertising material. The Licensee shall provide the Licensor, upon the Licensor's request, with samples of all packaging, labels, advertising, and other materials containing the Certification Marks and used or intended for use with the Products.
- (b) The Licensee shall not alter or amend the Certification Marks, nor shall any other drawing, symbol, or words be placed on or in any way adjacent to the Certification Marks to suggest that such drawing, symbol, or words are part of or associated with the Certification Marks.
- (c) The Licensee represents and warrants that it will ensure all persons selling or promoting the Products understand and agree that they are not authorized to use the Certification Marks in any manner except to the extent necessary to display the Products and the Products' packaging, display, and advertising material bearing the Certification Marks, and agrees to notify the Licensor of any unauthorized use of the Certification Marks by any promoter or seller.

- (d) The Licensee shall comply with all laws relating to the Products on which it uses the Certification Marks and will cooperate with the Licensor to execute any necessary documents requested by the Licensor to retain, enforce, or defend the Certification Marks.

3. Indemnity. The Licensor assumes no liability to the Licensee or to third parties with respect to the performance characteristics of the Product(s) manufactured or sold by the Licensee under the Certification Marks or to the use of the Certification Marks in the Territory, and the Licensee hereby indemnifies and holds harmless the Licensor against all losses, damages, and expenses, including attorneys' fees, incurred as a result of or related to claims of third persons involving the manufacture, sale, or use of the Product(s) or use of the Certification Marks.

4. Registration Fees. Licensee shall, upon execution of the Agreement, remit the one-time registration fee of three hundred fifty dollars (U.S. \$350.00).

5. Term and Termination. This Agreement shall remain in full force and effect for as long as the Licensee is in compliance with the standards detailed in Exhibit B to this Agreement. Should the Licensee fail to comply with any provision of this Agreement, the Licensor may terminate this Agreement upon thirty (30) days' written notice to the Licensee, provided that the Licensee has not corrected such default during the notice period. This Agreement also shall terminate upon the Licensee's being given written notice by the Licensor that, in the Licensor's sole discretion, the Licensee's Product(s) bearing the Certification Marks have ceased to satisfy the requirements of this Agreement.

Upon the termination of this Agreement, all rights granted to the Licensee shall cease, except to the extent necessary to enable the Licensee to dispose of any remaining stock or inventory bearing the Certification Marks; however, in no event shall the Licensee distribute or market any Product(s) with the Certification Marks more than three (3) months after the termination of this Agreement. The Licensor may seek an injunction or utilize any other legal or equitable remedy to enforce this Agreement.

6. Ownership of the Certification Marks. The Licensee acknowledges the Licensor's exclusive right, title, and interest in the Certification Marks and will not at any time do or cause to be done any act or thing contesting or in any way impairing or tending to impair any part of such right, title, and interest. In connection with the use of the Certification Marks, the Licensee shall not in any manner represent that it has any ownership of the Certification Marks or registration thereof, and the Licensee acknowledges that use of the Certification Marks shall not create in the Licensee's

favor any right, title, or interest in or to the Certification Marks. Licensee shall at no time adopt or use, without the Licensor's prior written consent, any work or mark that is likely to be similar to or confused with the Certification Marks.
