Body: 20-Sep-2021

Dear Dr. Yang: Manuscript ID JMF-2021-K-0117 entitled "A quadruple coating of probiotics for enhancing intestinal adhesion and competitive exclusion of Salmonella Typhimurium" which you submitted to Journal of Medicinal Food, has been reviewed. The comments of the reviewer(s) are included at the bottom of this letter.

The reviewer(s) have recommended some minor revisions to your manuscript. Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript.

To revise your manuscript, log into <https://mc.manuscriptcentral.com/jmfkorea> and enter your Author Center, where you will find your manuscript title listed under "Manuscripts with Decisions." Under "Actions," click on "Create a Revision." Your manuscript number has been appended to denote a revision.

Please submit your revision by 20-Oct-2021.

You will be unable to make your revisions on the originally submitted version of the manuscript. Instead, revise your manuscript using a word processing program and save it on your computer. Please also highlight the changes to your manuscript within the document by using the track changes mode in MS Word or by using bold or colored text.

Once the revised manuscript is prepared, you can upload it and submit it through your Author Center.

When submitting your revised manuscript, you will be able to respond to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you make to the original manuscript. In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Because we are trying to facilitate timely publication of manuscripts submitted to Journal of Medicinal Food, your revised manuscript should be uploaded as soon as possible. If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to Journal of Medicinal Food and I look forward to receiving your revision.

Sincerely,
Jeongmin Lee, PhD
Editor-in-Chief, Journal of Medicinal Food

Comments to the Author

This study showed that effects of a coating of probiotics were to enhance intestinal adhesion of probiotics and to enhance competitive exclusion of pathogen (*S. Typhimurium*).

The concept of this study is precise and the manuscript is well organized.

However, English in this manuscript should be improved.

For example,

L25: exhibited -> resulted in

L26: effect -> the effect

L30-32: Thus, this study has significant implication, leading to development of a method that can improve adhesive ability of probiotics as well as adhesive inhibition of pathogens. -> Thus, this study has significant implication and lead to the development of methods to improve the
