COMMENT	DATE	FROM
Thank you.	08/24/2022	VCRP Admin
Thank you for your guidance. I agree with your explanation. Please see the revised image. And ingredient #12 is correctly modified as CITRUS AURANTIUM (BITTER ORANGE) FRUIT OIL. (CITRUS AURANTIUM DULCIS (ORANGE) FLOWER EXTRACT was deleted) If I have to do something, please let me know.	08/24/2022	ComisQueen@
We asked about ingredient #9 because the name “CITRUS AURANTIUM DULCIS” is not an accepted scientific name. We consider CITRUS AURANTIUM DULCIS to be BITTER ORANGE (see https://npgsweb.ars-grin.gov/gringlobal/taxon/taxonomydetail?id=10684). These ingredients are listed under "CITRUS AURANTIUM (BITTER ORANGE)" in the VCRP dictionary. Therefore, if you intended to declare CITRUS AURANTIUM DULCIS (ORANGE) FRUIT OIL, you can find this ingredient as "CITRUS AURANTIUM (BITTER ORANGE) FRUIT OIL" in the VCRP dictionary. Please amend as necessary and resubmit.	08/23/2022	VCRP Admin
I apologize for your confusion. The ingredient #9 is CITRUS AURANTIUM DULCIS (ORANGE) FLOWER EXTRACT. You can find the ingredient was correctly modified. Thank you!	08/22/2022	ComisQueen@
For ingredient #9, did you intend to declare ORANGE FLOWER OIL as listed on your product label? If yes, please clarify if you intended to declare SWEET ORANGE FLOWER OIL or BITTER ORANGE FLOWER OIL?	08/17/2022	VCRP Admin

COMMENT	DATE	FROM
I'm sorry. You are right. BUTYLENE GLYCOL and PHENOXYETHANOL should be listed in this submission. I correctly modified ingredient #35 and #36 on the list. I'm sorry again.	08/22/2022	ComisQueen@
BUTYLENE GLYCOL and PHENOXYETHANOL are listed on your product label, but have not been included in this submission. Did you intend to declare these ingredients?	08/19/2022	VCRP Admin
I correctly modify the carton image. OCIMUM BASILICUM (BASIL) LEAF EXTRACT is correct ingredient name.	08/19/2022	ComisQueen@
This formulation appears to be somewhat different than what is listed on your product label. Please review this formulation for accuracy. If you are unable to find an ingredient in the VCRP dictionary, please declare it exactly how it appears on the label and we will resolve it for you.	07/14/2022	VCRP Admin

COMMENT	DATE	FROM
This product appears to be a drug product as well as a cosmetic. Please be aware that drug manufacturers are required to register their manufacturing facility as well as list their products with FDA. You can find additional information on drug registration and listing at: https://www.fda.gov/drugs/guidance-compliance-regulatory-information/drug-registration-and-listing-system-drls-and-edrls .	07/14/2022	VCRP Admin
Yes, you are right. Correct ingredient name is IRON OXIDES.	07/14/2022	ComisQueen@
Your product label lists color additives that have not been included in this submission. Did you intend to declare IRON OXIDES?	07/12/2022	VCRP Admin
